PENN STATE
Welcome to
PENN STATE!
Use this checklist to get ready for taking online classes and to connect with the World Campus community.

World Campus
1855

Participate in our New Student Orientation

student.worldcampus.psu.edu/content/new-student-orientation-webinar

Webinar date and time: _____

Complete your Assessment of Readiness for Online Learning (SmarterMeasure)

This assessment will help you gauge what skills you can focus on to help improve your readiness for online learning.

www.worldcampus.smartermeasure.com

Username: pennstate
Password: pennstate

Complete your FAFSA (Free Application for Federal Student Aid) as soon as you have filed your tax return

www.fafsa.ed.gov
Penn State's Federal School Code: 003329

Take your math placement assessment

(if required; if you're unsure, check with your adviser after he or she contacts you) You can access this through eLion and you will need to complete this before registering for any math courses.
http://student.worldcampus.psu.edu/assessment.

Explore eLion and ANGEL

➤ ANGEL is Penn State's course management system, where you will complete most of your class work. Learn about different features of ANGEL at **student.worldcampus.psu.edu/your-courses-how-to-guide/angel-course-management-system**.

➤ eLion is a self-service, web-based system that provides you with secure, real-time access to your academic and financial records. See a demo at **eliondemo.oas.psu.edu**. Click on **Students** to enter the demo.

➤ After you receive your Penn State Access Account, you can log in to eLion at **elion.psu.edu**.

Connect with us and other World Campus students in our online communities

➤ Visit the *Corner of College and Allen* blog for World Campus students: **studentblog.worldcampus.psu.edu**

➤ Learn how to connect with us on Facebook, Twitter, Flickr, and YouTube, and stay up-to-date with World Campus events at **student.worldcampus.psu.edu/community**.

Follow these steps to schedule your first course(s):

➤ Review the degree audit that will be sent by your adviser. (You will receive your degree audit approximately two weeks after getting this checklist; therefore, you will not be able to complete this step until that time.)

➤ Select the courses that you'd like to take.

➤ After you receive your Penn State Access Account, log in to eLion and find your first date to register for courses by going to "Schedule" and then "Registration Calendar."

➤ Beginning on your first date to register, you can register for courses using eLion. Find more information at **student.worldcampus.psu.edu/your-courses-how-to-guide/scheduling-your-first-course**.

If you're using military or veteran educational benefits

Contact our Office of Veterans Programs for assistance: **www.equity.psu.edu/veterans**

If you have a documented physical or learning disability

Visit our website to learn how to be considered for course accommodations:
student.worldcampus.psu.edu/academic-support-resources/students-with-disabilities

Check out our mobile academic planner and online calendar of important dates and events

Visit **http://m.worldcampus.psu.edu** and select **Current Students.**

Make sure your computer is optimized for online learning

Review the minimum technical requirements for courses offered via the World Campus and technical best practices:
http://student.worldcampus.psu.edu/technical-support

Please note: All support resources available to World Campus students, including those on this checklist, are provided to help you meet your academic goals. Participation is voluntary, but we hope you can benefit from using these resources. Scheduling courses may be done prior to paying your tuition bill, as tuition bills are not due immediately after scheduling courses.
