Features

New Student Government Nominations
A group of student leaders has been working to establish the World Campus Student Government Association (WCSGA) at Penn State, which will represent and advocate on behalf of our student body. To establish the WCSGA for the 2019–20 academic year, a slate of officers must be elected. Nominations are now open for all executive and committee chair positions. You can nominate yourself or another student.
Submit a nomination for WCSGA officers

A Guide to Office 365 Teams
All Penn State students now have access to Office 365. One of the most popular tools in the Office 365 suite is Teams, a collaboration platform that lets you chat, meet, and share and edit files all within one central workspace.
